## Examining the Mechanics of Political Control

by Phillip Day

*"Behind the ostensible government sits enthroned an invisible government owing no allegiance and acknowledging no responsibility to the people. To destroy this invisible government, to befoul the unholy alliance between corrupt business and corrupt politics is the first task of the statesmanship of the day."* - President Theodore Roosevelt, 19th April 1906

*"There is a power so organised, so complete, so subtle, so pervasive, that they had better not speak above their breath when they speak in condemnation of it."* - President Woodrow Wilson

In 1905 an infamous document known as *The Protocols of the Learned Elders of Zion* had surfaced and caused a stir. The Protocols appeared to be a dissertation on the ABCs of world take-over and had apparently been written to look like the work of evil Jews. The media react to the exposing of the Protocols with disdain and mockery that anyone could ever take them seriously. Ever since, the Protocols have courted controversy and criticism. *The Los Angeles Times*, 28<sup>th</sup> November 1993, writes, "Russia Rules Anti-Semitic Tract a Fraud." Other news headlines include, "Codebook for World Take-Over or Anti-Semitic Nonsense?" and "The Conspiracy Conspiracy". What's interesting is that while everyone seems very vocal in denying the authenticity of the Protocols, no one ever quotes them. Could there be a reason for this? That if they were quoted, the reader might quickly learn that they are a series of self-fulfilling prophecies, uncomfortably close to mankind's current predicament?

That the Protocols are a modernisation and distillation of Illuminati founder Weishaupt's original manifesto is beyond doubt when one studies them. The use of Jewish terms and the overall style is clearly designed to finger the descendants of Abraham as the culprits and conspirators. Notes and emphasis have been added to the following by this author where appropriate.

### **PROTOCOL #1 (EXTRACT) EXPOSED 1905**

*Behold the alcoholised animals, bemused with drink, the right to an immoderate use of which comes along with freedom. It is not for us and ours to walk that road. The peoples of the goyim [cattle] are bemused with alcoholic liquors; their youth has grown stupid on classicism and from early immorality, into which it has been inducted by our special agents – by tutors, by lackeys, governesses in the houses of the wealthy, by clerks and others, by our women in the places of dissipation frequented by the goyim.*

*Our countersign is – Force and Make-Believe.... Far back in ancient times, we were the first to cry among the masses of the people the words, "Liberty, Equality, Fraternity", [French Revolution] words many times repeated since those days by stupid poll-parrots.... The abstraction of freedom has enabled us to persuade the mob in all countries that their government is nothing but the steward of the people who are the owners of the country, and that the steward may be replaced like a worn-out glove [the process of 'democracy']. It is this possibility of replacing the representatives of the people, which has placed them at our disposal, and, as it were, given us the power of appointment.*

### **PROTOCOL #2 (EXTRACT) EXPOSED 1905**

*It is indispensable for our purpose that wars, so far as possible, should not result in territorial gains. The intellectuals of the goyim will puff themselves up with their knowledge and without any logical verification of them will put into effect all the information available from science, which our agentur*

*specialists have cunningly pieced together for the purposes of educating their minds in the direction we want.*

*Do not suppose for a moment that these statements are empty words; think carefully of the successes we arranged, for Darwinism [Evolution], Marxism [Communism], Nietzscheism [later- Nazism]. To us Jews, at any rate, it should be plain to see what a disintegrating importance these directives have had on the minds of the goyim.*

### **PROTOCOL #3 (EXTRACT) EXPOSED 1905**

*Hunger creates the right of capital to rule the worker more surely than if it were given to the aristocracy by the legal authority of kings. By want and the envy and hatred, which it engenders, we shall move the mobs and with their hands we shall wipe out all those who hinder us on our way [a preview of the Bolshevik Revolution to follow].*

*When the hour strikes for our Sovereign Lord of all the World to be crowned [viewed by Christians as the Antichrist], it is these same hands which will sweep away everything that might be a hindrance thereto. The goyim have lost the habit of thinking unless prompted by the suggestions of our specialists.*

### **PROTOCOL #4 (EXTRACT) EXPOSED 1905**

*Who or what is in a position to overthrow an invisible force? And this is precisely what our force is. Gentile Masonry blindly serves as a screen for us and our objects, but the plan of action of our force, even its very abiding-place, remains for the whole people a mystery.*

*It is indispensable for us to undermine all faith, to tear out of the minds of the goyim the very principle of Godhead and the Spirit, and to put in its place arithmetical calculations and material needs.*

*The intensified struggle for superiority and shocks delivered to economic life will create, nay, have already created, disenchanted, cold and heartless communities. Such communities will foster a strong aversion towards the higher political offices and towards religion. Their only guide is gain, that is Gold, which they will erect into a veritable cult, for the sake of those material delights, which it can give.*

Has it already been decided how societies are to be ruled in the future? Has a future Earth been planned – one populated by a narcotised, dumbed-down worker-class hooked on material pleasures, whose every need and desire has been anticipated and envisioned by an all-powerful élite – indeed a self-elected élite who will henceforth call the shots for the sake of world stability? Let us examine further.

Several examples of how well Weishaupt's plan appears to be proceeding on a number of different fronts can be seen with the dramatic developments in America and other leading nations in more recent times. On 17<sup>th</sup> June 1963, the Supreme Court of the United States bans school Bible reading in the Abington versus Schempp case. The court explains its psychiatry-influenced decision as follows: *"If portions of the New Testament were read without explanation, they could be... and had been psychologically damaging to the child."* One can only imagine what American founding father James Madison would have thought about the Bible causing brain damage to the children.

### **SILENT WEAPONS ASSAULTS ON CHRISTIANITY**

#### **Protocol #17 (extract) Exposed 1905**

*We have long past taken care to discredit the priesthood of the goyim, and thereby ruin their mission on Earth, which in these days might still be a great hindrance to us. Day by day its influence on the*

peoples of the world is falling lower. Freedom of conscience has been declared everywhere, so that now only years divide us from the moment of the complete wrecking of that Christian religion, as to other religions we shall have still less difficulty in dealing with them [monotheistic religions: Judaism and Islam].

*When the time comes finally to destroy the papal court [Catholic Church], the finger of an invisible hand will point the nations towards this court. When however the nations fling themselves upon it, we shall come forward in the guise of its defenders as if to save excessive bloodshed. By this diversion, we shall penetrate to its very bowels and be sure we shall never come out again until we have gnawed through the entire strength of this place.*

### **ALL UNDER ONE ROOF**

On the finance side, Dr John Coleman illustrates the extent of the financial monopoly now owned by the banking élite: *"To show the concentration of power, note that 50 banks control 64% of the world's assets. 50 insurance companies control 80% of all insurance assets worldwide. Only 100 corporations in the US control over 58% of the industrial assets in the US. In total, there are only about 4,300 leadership positions (positions of authority and power controlling over half the assets in the US) in the corporate sector.*

*There are 300 families in the United States (while only 100 in the UK and even less in Russia) that are involved in the control of this nation. A closer examination shows many tie-ins of control that go back to the Satanic hierarchy for corporate leaders. All of America's 300 families are co-operating with the Committee of 300. Occasionally there are members who stray from the co-operation such as the Kennedy and Hunt brothers...."*<sup>1</sup>

### **PROTOCOL #5 (EXTRACT) EXPOSED 1905**

*The principal object of our directorate consists of this: to debilitate the public mind by criticism; to lead it away from serious reflections calculated to arouse resistance; to distract the forces of the mind towards this sham fight of empty eloquence.*

*In order to put public opinion into our hands, we must bring it into a state of bewilderment by giving expression from all sides to so many contradictory opinions and for such length of time as will suffice to make the goyim lose their heads in the labyrinth and come to see that the best thing is to have no opinion of any kind in matters political, which it is not given to the public to understand.*

*There is nothing more dangerous than personal initiative. We must so direct the education of the goyim communities [dumbing down], that whenever they come upon a matter requiring initiative, they may drop their hands in despairing impotence. From this collision arise grave moral shocks, disenchantments, failures. By all these means we shall so wear down the goyim that they will be compelled to offer us international power of a nature which, by its position, will enable us, without any violence, gradually to absorb all the State forces of the world and to form a Super-Government.*

Like Churchill before him, John F Hylan, Mayor of New York between 1918 and 1925, articulates his own fears for his country: *"The real menace to our Republic is the invisible government which, like a giant octopus, sprawls its slimy legs over our cities, states and nation."*<sup>2</sup>

*kind. We have harnessed them all to the task: each one of them on his own account is boring away at the last remnants of authority, is striving to overthrow all established form of order. By these acts all States are in torture; they exhort to tranquillity, are ready to sacrifice everything for peace. But we will not give them peace until they openly acknowledge our international Super-Government, and with submissiveness.*

*Division into fractional parties has given them into our hands, for, in order to carry on a contested struggle, one must have money - and the money is all in our hands.*

The goal of a global world order is succinctly enshrined in the United Nations World Constitution: *"The age of nations must end. The government of nations have decided to order their separate sovereignties into one government to which they will surrender their arms."*<sup>3</sup>

George Bush Sr, a Skull and Bones initiate from Yale University, 'born again' after ritualistically climbing into a coffin naked before his university peers,<sup>4</sup> sees no conflict in declaring treason in 1992 whilst president of the United States: *"My vision of a New World Order foresees a UN with a revitalised peacekeeping function. It is the sacred principles enshrined in the UN charter to which we henceforth pledge our allegiance."*<sup>5</sup>

Even the crusty, improbably named Zbigniew Brzezinski, National Security Advisor to Carter and four other presidents, is at it in his book, *Between Two Ages*: *"The technetronic era involves the gradual appearance of a more controlled society. Such a society would be dominated by an élite, unrestrained by traditional values."*<sup>6</sup>

In his famous novel, 1984, George Orwell writes of his fictitious controlled society: *"In the past, no government had the power to keep its citizens under constant surveillance. The invention of print however made it easier to manipulate public opinion - film and radio carried the process even further. With the development of television... private life came to an end. Every citizen could be kept, for twenty-four hours a day, under the eyes of the police with all other channels of communication closed. The possibility of enforcing not only complete obedience to the will of the state, but complete uniformity of opinion on all subjects, now existed for the first time."*<sup>7</sup>

Thomas Macawley, writing to H S Randall, sees the danger posed by Weishaupt's burgeoning movement even as early as 1857: *"Either some Caesar or Napoleon will seize the reins of government with a strong hand, or your republic [America] will be as fearfully plundered and laid waste by barbarians in the Twentieth Century as the Roman Empire was in the Fifth; with the difference that the Huns and Vandals who ravaged the Roman Empire came from without, and your Huns and Vandals will have been engendered from within your own country and by your own institutions."*<sup>8</sup>

Ted L Gunderson, former head of the FBI in Los Angeles, Memphis and Dallas, testifies to this gradual encroachment of the Illuminati in a 1995 interview with Radio Free America talk-show host, Anthony Hilder, in the latter's TV documentary, *Reichstag '95*:

*"There is no question that the Satanic movement, which has been with us for two thousand years, was really well organised back in 1776 when the Illuminati was founded and became active. There's no question that they have been working at this for years.... I have information, documentation, that these people, this element in our society, has infiltrated virtually every level: doctors, lawyers, politicians – oh, by all means, politicians...."*

#### **PROTOCOL #10 (EXTRACT) EXPOSED 1905**

*It is indispensable to trouble in all countries, the people's relations with their governments so as to utterly exhaust humanity with dissension, hatred, struggle, envy and even by the use of torture, by starvation, by the inoculation of diseases, by want, so that the goyim see no other issue than to take refuge in our complete sovereignty in money and in all else. But if we give the nations of the world a breathing space, the moment we long for is hardly likely ever to arrive.*

#### **PROTOCOL #11 (EXTRACT) EXPOSED 1905**

*The goyim are a flock of sheep, and we are their wolves. And you know what happens when the wolves get hold of the flock.... There is another reason also why they will close their eyes: for we shall keep promising them to give back all the liberties we have taken away as soon as we have quelled the enemies of peace and tamed all parties.... It is not worthwhile to say anything about how long a time they will be kept waiting for this return of their liberties....*

#### **THE ROLE OF THE MEDIA**

Total domination of global politics, economics and the military can never be accomplished without total control of the media. Many scoff at the notion that the press can be appropriated and controlled, citing as obvious example the various 'exposés' that rock our nations from time to time in the newspapers. Sceptics who disbelieve that there exists a Media and Information Super Highway Old Boys' Club may wish to obtain the September 1998 edition of *Vanity Fair* which contains Annie Liebovitz's remarkable photograph.<sup>9</sup> Thirty-seven of the world's top mass communications purveyors gather in an Idaho wood for a photo-call. Their combined wealth totals \$1.4 trillion. Their average age is 50 and between them they own 14 film studios, 43 music labels, 52 magazines and 124 daily newspapers. Cast your eyes down the following list of names and ask yourself a couple of questions:

- Are these busy people?
- What does it say about collective co-operation that they take valuable time off (some of them to travel halfway around the world) just to attend a photo shoot for *Vanity Fair* in Idaho, of all places?

#### PROTOCOL #12 (EXTRACT) EXPOSED 1905

*We shall deal with the press in the following way: What is the part played by the press today? It serves to excite and inflame those passions, which are needed for our purpose, or else it serves selfish ends of parties. It is often vapid, unjust, mendacious, and the majority of the public has not the slightest idea which ends the press really serves.*

*Literature and journalism are two of the most important educative forces, and therefore our government will become proprietor of the majority of the journals. This will neutralize the injurious influence of the privately-owned press and will put us in possession of the tremendous influence upon the public mind....*

*Those fools who will think they are repeating the opinion of a newspaper of their own camp will be repeating our opinion or any opinion that seems desirable for us. In the vain belief that they are following the organ of their party, they will in fact follow the flag which we hang out for them.*

*We shall have a sure triumph over our opponents, since they will not have at their disposition organs of the press in which they can give full and final expression to their views, owing to the aforesaid methods of dealing with the press. We shall not even need to refute them, except very superficially. Not a single announcement will reach the public without our control.*

Head Illuminatus David Rockefeller was recorded saying the following words at the clandestine Bilderberger meeting in Baden Baden, Germany, in June 1991.

*"We are grateful to the Washington Post, the New York Times, Time magazine and other great publications, whose directors have attended our meetings and respected their promise of discretion for almost forty years.... It would have been impossible for us to develop our plan for the world if we had been subject to the bright lights of publicity during those years. But today the world is more sophisticated and prepared to march towards a world government. The supranational sovereignty of an intellectual elite and world bankers is surely preferable to the national auto-determination practised in past centuries." <sup>10</sup>*

## INTELLECTUAL PROSTITUTES

John Swinton, the former chief of staff of the *New York Times*, was called by his associates 'the dean of his profession'. As a luminary of international journalism and widely regarded as one of the most experienced newshounds of his day, Swinton was asked to toast 'an independent press' at the New York Press Club. In so doing, some monumental statements about the servile and controlled condition of the media were made before an astounded, but not entirely disbelieving audience:

*"There is no such thing at this date of the world's history, in America, as an independent press. You know it and I know it. There is not one of you who dares to write your honest opinions, and if you did, you would know beforehand that it would never appear in print. I am paid weekly for keeping my honest opinions out of the paper I am connected with. Others of you are paid similar salaries for similar things, and any of you who would be so foolish as to write honest opinions would be out on the streets looking for another job. If I allowed my honest opinions to appear in one issue of my paper, before twenty-four hours my occupation would be gone. The business of the journalist is to destroy the truth; to lie outright; to pervert; to vilify; to fawn at the feet of mammon, and to sell his country and his race for his daily bread. You know it and I know it, and what folly is this toasting an independent press? We are the tools and vassals for rich men behind the scenes. We are the jumping jacks, they pull the strings and we dance. Our talents, our possibilities and our lives are all the property of other men. We are intellectual prostitutes."*<sup>11</sup>

Acclaimed children's author Roald Dahl makes the common mistake of misidentifying the quasi-Jewish façade of the Illuminati<sup>12</sup> in a comment made shortly before his death in 1990: *"We all know about Jews and all the rest of it. There aren't any non-Jewish publishers anywhere. They control the media - jolly clever thing to do...."*<sup>13</sup>

Richard M Cohen, senior producer of CBS political news: *"We are going to impose our agenda on the coverage by dealing with issues and subjects that we choose to deal with."*<sup>14</sup>

Richard Salant, former president of CBS News: *"Our job is not to give people what they want, but what we decide they ought to have."*<sup>15</sup>

## DESENSITISING THE PUBLIC TO VIOLENCE

Glorying in the gore dulls the senses and perverts the mindset. Apathy and a deep kind of sexual thrill are experienced by the viewer who watches scenes of social as well as sexual degradation nightly on the television or at the movies. The lasting effect is a dulling of the blade of morality and a quenching of the desire to help others who have become victims. Author Michael Hoffman:

*"I remember Budd Dwyer's televised suicide. The Pennsylvania official prefaced his broadcast TV self-immolation with a quote from one of his associates who told Dwyer that the American people had become too jaded about 'routine' investigations into political corruption on TV's 60 Minutes and 20/20 to care very much about the corruption Dwyer sought to expose."*

<sup>12</sup> See also Holy Bible, KJV, Revelation 2:9; 3:9

<sup>13</sup> *Daily Mail*, 7<sup>th</sup> January 1999

<sup>14</sup> Kershaw, Peter, op. cit.

<sup>15</sup> Ibid.

*Mr Dwyer decided that a population so jaded would need a spectacular sacrificial victim to shake it awake from its apathy and therefore he shot himself in front of TV cameras at a news conference.*

*But his televised suicide did no such thing. Instead it became, like virtually everything else that appears on television, a trivialised part of the entertainment videodrome. It merely raised the stakes for the next human life to exceed, in terms of violence and horror and brutalisation, as public fare.”<sup>16</sup>*

### THE ART OF MANAGING CONSPIRACY

The press plays an important part in the dissemination and controlling of ‘conspiracy’, whether it is JFK, UFOs, the death of Princess Diana or any other ‘latest scoop’. The public is bombarded with TV ‘specials’, giving so many different angles and theories on the event in question that, just as the Protocols predicted, the viewing public eventually becomes apathetic, loses interest and goes resignedly back to its everyday life. How many JFK and ‘X Files’ programs does it take to cultivate the cynicism, apathy and a disinclination seriously to look any further? Are we not happy just to canonise the slain subject in question, register our sometimes huge outpourings of grief, and remember how they could have been? It’s sentimental mush for all - a big game of ‘Let’s Pretend’, with the mass communications media inflaming those fickle passions we all have within us:

*“The whole aim of practical politics is to keep the populace alarmed, and hence clamorous to be led to safety, by menacing it with an endless series of hobgoblins, all of them imaginary.” H L Mencken*

Without the media, who would today’s terrorism play to? Who’s going to blow up a building or destroy an airliner if they are not able to gain the leverage of a world stage from which to put their case? Without free, worldwide exposure for his agenda, martyrdom or a ‘thirty stretch’ in jail suddenly doesn’t seem such a bargain to the anarchist. *“But the media exposes all kinds of atrocities!”* people cry. Of course, and that’s why we believe we need the media. Have you ever wondered why they don’t tell us any good news? Only *News at Ten* used to do a little good news spot almost as an afterthought - Trevor McDonald smiling, *“...and finally....”* and going on to tell his audience about ‘The Tamworth Two’ - a couple of pigs who escaped from the slaughterhouse and were currently on the run from their executioners.

Indeed.

Michael Hoffman again: *“It is one thing for the media, the police, the judiciary and the killers themselves to commit terrible acts without our knowledge and consent. It is quite another matter, with grave repercussions in the realm of psychodrama, public ritual and advanced mind control, when these crimes are committed with our consent. It is an ancient rule of both the moral and common law that silence connotes consent - silence and a lack of meaningful action constitute consent in the face of these crimes.*

*“They brag to us about what they’ve gotten away with and we’re thrilled by it. That’s our only significant response, that and the anticipation of the next thrill.*

*“Thus the old strategy of exposing the cryptocracy, when applied blindly in the belief that this in itself is a potent weapon against the cryptocracy, is bankrupt. Exposure and publicity by themselves, without a broader understanding of the [issues] involved, is worse than useless, it actually plays into the hands of the conspirators.”<sup>17</sup>*

### **PROTOCOL #13 (EXTRACT) EXPOSED 1905**

*In order that the masses themselves may not guess what they are about, we further distract them with amusements, games, pastimes [leisure activities], passions [soap operas, movies and theatre], people's palaces [Disneyland, Lifestyles of the Rich and Famous]... Soon we shall begin through the press to propose competitions of art, in sport of all kinds [World Cup, FA Cup, Test Cricket, NBA, Superbowl, the Olympics, with the famous torch of illumination, etc.]. These interests will finally distract their minds from questions in which we should find ourselves compelled to oppose them. Growing more and more disaccustomed to reflect and form any opinions of their own, people will begin to talk in the same tone as we, because we alone shall be offering them new directions for thought.... of course through such persons as will not be suspected of solidarity with us.*

### **SILENT WEAPONS ASSAULTS ON GOVERNMENTS**

#### **Protocol #14 (extract) Exposed 1905**

*The errors of the goyim governments will be depicted by us in the most vivid hues. We shall implant such an abhorrence of them that the peoples will prefer tranquillity in a state of serfdom to those rights of vaunted freedom which have tortured humanity and exhausted the very sources of human existence; sources which have been exploited by a mob of rascally adventurers who know not what they do [government scandals, Profumo, Kennedy, Hart, Clinton, Nixon, Davis, Mandelson, etc]... In countries known as progressive and enlightened we have created a senseless, filthy abominable literature [tabloid newspapers, gossip magazines and pop-pornography].... Our philosophers will discuss all the shortcomings of the various beliefs of the goyim, but no one will ever bring under discussion our faith from its true point of view [Luciferianism], since this will be fully learned by none save ours, who will never dare betray its secrets.*

### **CREATING WILLING SLAVES**

The disintegrating effects of the New Materialism and its turning away from traditional morality is seen every day in the newspapers. Today in the United States, 57 people will be murdered. 251 women will be raped. 54,000 men are serving long-term prison sentences. 3,000 teenage girls will discover they are pregnant. 3,133 unborn infants will be aborted. Ten years after the Abingdon versus Schempp ruling took the Ten Commandments out of the school system, they had to put the metal detectors in. Today 135,000 weapons will go onto school campuses. 3.3 million problem drinkers will go to school. 40 students will be shot on campus. 4.4 million children will take psychiatric medication to cater for their 'special needs'. 623 students will discover they have a sexually transmitted disease.<sup>18</sup>

And the assault on the family? Protocols or not, America again illustrates the trend. 60% of all American married men have admitted to adultery. 69,000 Californian students were assaulted last year on campus. This weekend, 30% of America's students will be drunk. In 1990, 700,000 high school graduates could not even read their own diplomas. Over 200,000 children will be sexually abused this year. Only 7% of America's families today consist of a father who works, a mother who is making a home, and children. One hundred years ago the average vocabulary of an American sixteen-year-old was 70,000 words. Today it is just 15,000.<sup>19</sup>

### **WIND OR WISDOM?**

Many have asked questions such as: "Were the Protocols deliberately exposed?" or "Are they genuine?" The reader must be the judge. Author Wendy Wallace, from her Christian

<sup>18</sup> Schatzer, Vaughn, *The Truth Behind the Declaration of Independence*, a video commentary, PROACTIVE, 1627 W Main Street #213, Bozeman, MT 59715 USA

<sup>19</sup> Ibid.

perspective, points out that the exposure of the Protocols themselves may actually serve its own special purpose: *"The majority of the populace is so benumbed and jaded at this point that exposing the 'hidden works of darkness' does little more than titillate and further enslave them, since they no longer have a will to fight their continuing degradation.... If you haven't read the Protocols, get a copy while they're still legal in this country. Reading them is most 'enlightening'. As the Holy Bible shows us the mind and purpose of God, the Protocols show us the mind and purpose of Satan and the plan for world domination that has been effectually pursued to this day, with ever-increasing speed and efficiency."*<sup>20</sup>

### SUMMARY OF THE PROTOCOLS

When one studies them in their entirety, it isn't hard to recognise the outworking of each 'unlikely' Protocol in our everyday lives today, suggesting of course one of two explanations: either that the authenticity of the Protocols, their current operation and overwhelming effect on society is entirely provable by what we are witnessing, or alternatively that society has somehow followed the outworkings of these 'fictitious' Protocols through a series of improbably remote coincidences. The fact that they were exposed in 1905 implies, if they are genuine, that their planning and operational phases were actioned much earlier.

More than a few leaders in the 20<sup>th</sup> century 'appear' to have become alarmed at a Zionist conspiracy to rule the world after the Protocols were exposed. Hitler was encouraged by his own beliefs and opinions, as well as rogue elements within the Catholic Church, into taking the most extreme action against the Jewry of Europe - actions which were ironically funded by Illuminati 'false Jews' and their banks, who had promoted the National Socialists (bankers such as Warburg, Thyssen, Von Schroeder and Rothschild).<sup>21</sup> Today, anti-Semitism still appears to play an important role in protecting the working of the system. No one dares publicly oppose the apparent 'Jewishness' of the Illuminati for fear of being labelled 'another Hitler'.

### ILLUMINATI SUB-AGENDAS

On 10<sup>th</sup> January 1963, the US Congressional Record, pp. A34-A35, listed the long-term goals of the Marxist/Illuminist agenda, as they were being applied in America. This catalogue also appeared in *The Naked Communist* published by ex-FBI agent, Cleon Skousen.<sup>22</sup> The main agendas are itemised below and could equally apply to policies which have been, and still are implemented by the British government and others across the world. The object, as with the Communist Manifesto and the Protocols, seems to be to mould nationalistic populations into a homogenous, subservient, controllable people that can be governed by a centralised world government:

- US acceptance of coexistence as the only alternative to atomic war.
- Develop the illusion that total disarmament by America would be a demonstration of moral strength.
- Permit free trade between all nations regardless of Communist domination.
- Allow all Soviet satellites individual representation at the United Nations.
- Provide American aid to all nations regardless of Communist domination.

<sup>20</sup> Wallace, Wendy, *Four Horsemen of the Apocalypse and the New World Order*, POB 3109, Prescott, AZ, 86302 USA, pp.28-29

<sup>21</sup> "There is a mountainous, unquestionable body of evidence demonstrating, directly or indirectly, that the investment and banking firm of which George Bush's father was a major figure gave early financial backing to Adolf Hitler and Nazi officials such as Rudolf Hess." Marrs, Texe, *Dark Majesty*, Living Truth Publishers, Austin, TX: 1992, p. 168

<sup>22</sup> Kershaw, Peter, *Economic Solutions*, op. cit.

- Promote the United Nations as 'the only hope for mankind'. If its charter is rewritten, demand that it be set as a one-world government with its own independent armed forces.
- Resist any attempt to outlaw the Communist Party.
- Do away with all loyalty oaths.
- Continue giving Russia access to the US Patent Office.
- Capture one or both of the political parties of the US.
- Use technical decisions of the courts to weaken basic American institutions by claiming their activities violate civil rights.
- Get control of the schools. Use them as transmission belts for socialism and current Communist propaganda. Get control of the teachers' associations. Soften the curriculum (dumb down). Get the party line into textbooks (evolution, humanism, outlawing of monotheistic religion, especially Christianity).
- Gain control of all student newspapers.
- Use student riots to foment public protests against programs or organisations which are under Communist attack.
- Infiltrate the press. Get control of book review assignments, editorial writing, policy-making positions.
- Gain control of key positions in radio, TV and motion pictures.
- Eliminate all laws governing obscenity by calling them censorship and a violation of free speech and free press.
- Break down cultural standards of morality by promoting pornography, drug-taking and obscenity in books, magazines, motion pictures, radio and TV.
- Present homosexuality, degeneracy and promiscuity as 'normal, natural, healthy'.
- Infiltrate the churches and replace revealed religion with 'social' religion. Discredit the Bible and emphasise the need for intellectual maturity which does not need a religious 'crutch'.
- Eliminate prayer or any phrase of religious expression in the schools on the grounds that it violates the principles of 'separation of church and state'.
- Discredit the American Constitution by calling it inadequate, old-fashioned, out of step with modern needs, a hindrance to co-operation between nations on a worldwide basis.
- Discredit the American Founding Fathers. Present them as selfish, deviant aristocrats who had no concern for the 'common man'.
- Belittle all forms of American culture and discourage the teaching of American history on the grounds that it was only a minor part in the 'big picture'.
- Support any socialist movement to give centralised control over any part of the culture-education, social agencies, welfare programs, mental health clinics.
- Discredit the family as an institution. Encourage promiscuity and easy divorce.
- Emphasise the need to raise children away from the negative influence of parents.
- Give the World Court jurisdiction over nations and individuals alike.

*"The American people will never knowingly adopt socialism. But, under the name of liberalism, they will adopt every fragment of the socialist program, until one day America will be a socialist nation, without knowing how it happened."* (Norman Thomas, US Socialist Party Presidential candidate).<sup>23</sup>

<sup>23</sup> A full list of these agendas may be found in Kershaw's *Economic Solutions*.

The deleterious effects on society, as the first of Weishaupt's strategies are implemented by governments upon their populations in the early part of the 1900's, comes first to the notice of the astute. Lady Queenborough (Edith Starr Miller) writes:

*"In the course of my researches as an international political investigator into the causes of social unrest, I have probed the depths of infamy which now surrounds, not ours only, but also the next generation, whose right to lead a decent life should be as good as was ours. As a woman of the world I have witnessed things the existence of which I did not suspect and I have realised that, due to my 'protected' position in life, they should never have been expected to come to my knowledge. Let me tell every woman, however much 'protected', whether Dairymaid or Duchess, that the safeguards which she imagines to be thrown around herself are but a mirage of the past. Her own and her children's future are at the mercy of those 'forces', the activities of which it has been my business, for the last ten years, to follow as one of a group of investigators.*

*Today, most of the good people are afraid to be good. They strive to be broadminded and tolerant! It is fashionable to be tolerant – but mostly tolerant of evil – and this new code has reached the proportions of demanding intolerance of good. The wall of resistance to evil has thus been broken down and no longer affords protection to those who, persecuted by evil doers, stand in need of it."* <sup>24</sup>

### **SILENT WEAPONS FOR QUIET WARS**

It is important to appreciate that, by the architects' own admission, the 'New World Order' has been designed to succeed with the full consent and approbation of a dumbed-down, servile world citizenry. It cannot triumph any other way. This blind acquiescence is being achieved through the application of what the Illuminati term 'Silent Weapons', which work against the public through the process of gradualism. Quoting from its 'Silent Weapons for Quiet Wars' manuscript:

*The objective of such studies is to acquire the know-how to set the public economy into a predictable state of motion or change, even a controlled, self-destructive state of motion, which will convince the public that certain 'expert' people should take control of the money system and re-establish security (rather than liberty and justice) for all. When the subject citizens are rendered unable to control their financial affairs, they, of course, become totally enslaved, a source of cheap labour.*

***Diversion: The Primary Strategy.*** Experience has proven that the simplest method of securing a silent weapon and gaining control of the public is to keep the public undisciplined and ignorant of basic systems principles on the one hand, while keeping them confused, disorganised and distracted with matters of no real importance on the other hand.

*This is achieved by:*

- *Disengaging their minds; sabotaging their mental activities; providing a low-quality program of public education in mathematics, logic, systems design and economics; and discouraging technical creativity.*
- *Engaging their emotions, increasing their self-indulgence and their indulgence in emotional and physical activities by:*
- *Unrelenting emotional affrontations and attacks (mental and emotional rape) by way of a constant barrage of sex, violence and wars in the media – especially the television and newspapers.*

□

- *Giving them what they desire – in excess – ‘junk food for thought’ – and depriving them of what they really need.*
- *Rewriting history and law and subjecting the public to the deviant creation, thus being able to shift their thinking from personal needs to highly fabricated outside priorities.*

*These preclude their interest in, and discovery of the silent weapons of social automation technology. The general rule is there is profit in confusion; the more confusion, the more profit. Therefore the best approach is to create problems and then offer solutions.*<sup>25</sup>

Speaking from the vantage-point of February 1920, as Europe drags itself out of the mud and carnage of World War 1, British statesman Winston Churchill remarks in the popular press on Weishaupt’s sinister political undertow. By the early years of the 20<sup>th</sup> century, Communism has gained sufficient momentum to engulf Russia in the Bolshevik Revolution, depose the old imperialism, and establish a new and mighty Soviet regime which would change the face of history for the next seventy years:

*“From the days of ‘Spartacus’ Weishaupt, to those of Karl Marx, Trotsky, Rosa Luxemburg and Béla Kun, this worldwide conspiracy for the overthrow of civilisation has been the mainspring of every subversive movement during the nineteenth century, and now at last has gripped the Russian people by the hair of their heads and become the undisputed master of that enormous empire.”*<sup>26</sup>

<sup>25</sup> The ‘Silent Weapons For Quiet Wars’ document was first exposed after a manuscript was ‘discovered’ on 7<sup>th</sup> July 1986 inside an IBM photocopier purchased at a surplus sale. It is a clandestine work giving chilling details of the methods required to control and manipulate societies. The document’s authenticity is validated by the measures contained within it subsequently coming to pass. A full transcript of this document is contained in William Cooper’s, *Behold a Pale Horse*, Lite Technology Publishing, 1991.
